

Entertainment Schedule at Donovan's Reef

Sit back and relax or sing along with your friends on select Friday and Saturday nights from ten until closing with some of the areas most talented artists. Donovan's Reef's featured entertainers for September include the following artists.

Friday Sept 7th - Fresh Wasco <http://www.myspace.com/FreshWasco>

Fresh Wasco has been around since the summer of 1999. The duo consists of Keith Wilkinson and Andrea from The Carnival Dogs. Coming from the same hometown with completely different musical backgrounds, it was interesting to see what would become of us. The result: Amazing acoustic music with overwhelming personality. It's a show in itself for our fans (as well as ourselves)...every night turning out a little different than expected. It's all for fun and for the music!

Saturday Sept 8th - evenstar <http://www.evenstarmusic.com/home.cfm>

Established in NYC in mid 2001, **evenstar** set out playing local venues throughout the New York and New England area in support of their debut acoustic album, *Searchlight*. During this time they developed their sound and gathered a devoted fan base through constant touring on the east coast. On the road the band created a powerful performance style that includes a crowd interactive experience leaving the audience always wanting more.

evenstar's sound has evolved from their early acoustic work to their signature melodic rock sound featured in their release *Bad Luck Yesterday*, released in late 2003. This album is the perfect mix of melodic songwriting and powerful performances that will further increase the fan base of this young NYC power trio.

In 2004, the band was back in the studio again to lay down a sampling of its latest songwriting efforts, *Hello, My Name Is...* It is a solid 3 song demo that shows these boys are ready to take it to the next level.

Friday Sept 14th - Guido

Friday Sept 21st - Christopher John

Saturday Sept 29th - Grill Chi
